

VU DUC MINH

Game Designer

PROFILE

Computer Game Design and Programming student, I'd consider myself a Jack of all trade, but the skill that stands out the most would be game design, level design because no matter the game engine it stays basically the same

HOBBIES

- Figure collecting/posing
- Hip Hop
- Read Comics/Manga
- Learn psychology/philosophy
- Writing stuff
- Playing video games:

Game Genre:

Sandbox, Open World, Fighting, Story-based, Zombie, Survival, Co-op, Horror, Puzzle games, Tycoon

STRENGTHS

- Energetic - Enthusiastic
- Deep/Logical Thinking

LANGUAGE

- Native Vietnamese
- Moderate - Advanced English
